MARKETING & SPONSORSHIP OPPORTUNITIES
With the global waste management network

International Solid Waste Association

50 YEARS

ISWA
THE WORLD'S LEADING NETWORK

ISWA - The International Solid Waste Association is a global, non-profit association working in the public interest to promote and develop sustainable waste and resource management around the world. With Members in 110 countries, it is a truly unique and global network.

ISWA can help support and grow your network through our magazine (see below), online news and information hub, and e-newsletter sent to directly members’ inboxes. Sponsorship of our industry-leading webinars, events, and working groups are also available.

WASTE MANAGEMENT WORLD
