Submission Guidelines

1. The theme of ISWA Video Awards 2019 is **raising awareness of plastic marine litter amongst general public**. Imagine that you work for your local municipality's waste management department and were tasked with preparing a public service announcement for a local TV station to raise the issue of plastic marine litter.
2. Entries shall explore the theme of plastic marine litter prevention in context of what can be done within their own municipalities in an original, witty way. Whether documentary, fiction, animation or a combination thereof - the decision about the film genre as well as the technical realisation is left up to the contestant.
3. Work must be the contestant's own original material.
