

WORKING GROUP HAZARDOUS WASTE
Work program 2019 – 2021

	TARGET ACTIVITIES (describe each activity briefly)	IMPORTANCE (rate the importance of the activity for the WG a: high importance, b: medium, c: business as usual)	RELATION TO ISWA PRIORITIES AND STC OBJECTIVES (describe the contribution of each activity to general ISWA and STC priorities)	TIMETABLE (key-dates and milestones of the described activities)	ISWA BOARD AND/OR GS CONTRIBUTION (describe what may be needed from ISWA Board or GS for the certain activity e.g. resources, promotion, participation etc.)	COOPERATION (e.g. with other WGs, RDNS, National Members, non ISWA Organisations)	BUDGET IMPLICATIONS (give an indication of any budgetary implications and identify if this is an activity funded under ISWA Project Grant)	OTHER COMMENTS (describe any other issue that is considered important)
WORKING GROUP MEETINGS	2019	a	Networking opportunity for members; consolidation of knowledge from members; progress in the work program	1 st meeting before or after the workshop on Waste Characterization and Classification (April-May)	Coordination and support by ISWA GS	Cooperation with RDNS. If no representatives of the different RDNS can join the meeting, pre-meetings before HWWG are organized by video or conference call in order to get inputs from Regions	Reliant on local host to cover meeting costs	-
	2020			TBD				
	2021			TBD				
EVENTS (e.g. Beacon Conferences, Workshops,	Support of ISWA World Congress with quality papers and special sessions	a	Contributes to ISWAs technical profile, transfer of knowledge and quality ISWA events	Special HW session(s) planned for ISWA World Congresses in 2019, 2020 and	Coordination and support by ISWA GS	ISWA National Members (Congress Hosts)	Involves travel and registration costs to be borne by presenters	Topics of the HW Session(s) will be decided depending on the work program progress and

	TARGET ACTIVITIES (describe each activity briefly)	IMPORTANCE (rate the importance of the activity for the WG a: high importance, b: medium, c: business as usual)	RELATION TO ISWA PRIORITIES AND STC OBJECTIVES (describe the contribution of each activity to general ISWA and STC priorities)	TIMETABLE (key-dates and milestones of the described activities)	ISWA BOARD AND/OR GS CONTRIBUTION (describe what may be needed from ISWA Board or GS for the certain activity e.g. resources, promotion, participation etc.)	COOPERATION (e.g. with other WGs, RDNS, National Members, non ISWA Organisations)	BUDGET IMPLICATIONS (give an indication of any budgetary implications and identify if this is an activity funded under ISWA Project Grant)	OTHER COMMENTS (describe any other issue that is considered important)
Seminars)				2021				specific opportunities or "hot topics"
	Workshop on characterization and classification of hazardous waste	a	Contributes to ISWAs technical profile, transfer of knowledge & Best Practices	April-May 2019 in Brussels (preferably)	Coordination and support by ISWA GS	DG Env and DG Grow; SAICM; OECD, Institutes like INERIS, NGOs (CHEMSEC&EE) ISWA HWWG members	Reliant on local host partner to cover meeting room cost. At least Sarp Industries will provide support	This issue is very important in the context of the development of circular economy as one of the challenges is the interface between chemicals, products and waste in order to ensure a toxic free environment. Same issue exists at the International level with the Global Chemical Outlook (SAICM)
	For 2020, TBD depending on opportunities	a						

	TARGET ACTIVITIES (describe each activity briefly)	IMPORTANCE (rate the importance of the activity for the WG a: high importance, b: medium, c: business as usual)	RELATION TO ISWA PRIORITIES AND STC OBJECTIVES (describe the contribution of each activity to general ISWA and STC priorities)	TIMETABLE (key-dates and milestones of the described activities)	ISWA BOARD AND/OR GS CONTRIBUTION (describe what may be needed from ISWA Board or GS for the certain activity e.g. resources, promotion, participation etc.)	COOPERATION (e.g. with other WGs, RDNS, National Members, non ISWA Organisations)	BUDGET IMPLICATIONS (give an indication of any budgetary implications and identify if this is an activity funded under ISWA Project Grant)	OTHER COMMENTS (describe any other issue that is considered important)
	For 2021, Result of the project on the Survey of hazardous waste production and treatment in the world	A	Contributes to ISWAs technical profile, transfer of knowledge & Best Practices, relationship with the UN Organisations who might be interested in		Coordination and support by ISWA GS	TBD	TBD Geneva would be an interesting place with partnership with UN	The lack of accurate statistics and up-to-date data is a real threat against good hazardous waste management policy in the different regions of the world
PROJECTS	2020, Observatory of the hazardous waste production and treatment in the world	A	Contributes to ISWAs technical profile, transfer of knowledge & Best Practices	Preparation of the project on 2019 Project to be run in 2020 Workshop in 2021 Dedicated session in ISWA Congress 2021 Article in WMW	Coordination and support by ISWA GS. Support/promotion by Board and the STC	Communication Group, YPG, RDNS, National Members, UN Organisations	Budget from project grant	The lack of accurate statistics and up-to-date data is a real threat against good hazardous waste management policy in the different regions of the world
TRAINING	Study Tour in EU	a	Contributes to	2020 with	Coordination and	Companies who		

	TARGET ACTIVITIES (describe each activity briefly)	IMPORTANCE (rate the importance of the activity for the WG a: high importance, b: medium, c: business as usual)	RELATION TO ISWA PRIORITIES AND STC OBJECTIVES (describe the contribution of each activity to general ISWA and STC priorities)	TIMETABLE (key-dates and milestones of the described activities)	ISWA BOARD AND/OR GS CONTRIBUTION (describe what may be needed from ISWA Board or GS for the certain activity e.g. resources, promotion, participation etc.)	COOPERATION (e.g. with other WGs, RDNS, National Members, non ISWA Organisations)	BUDGET IMPLICATIONS (give an indication of any budgetary implications and identify if this is an activity funded under ISWA Project Grant)	OTHER COMMENTS (describe any other issue that is considered important)
(e.g. Master Classes, Study Tours, etc.)	Visit of different kind of hazardous waste plants (recycling/recovery/disposal)		ISWAs technical profile, transfer of knowledge & Best Practices	preparation on 2019	support by ISWA GS. Support/promotion by Board and the STC	willing to participate		
	Be able to provide experts when UN organizations ask for expertise in hazardous waste management at the demand of countries or regions	b	Contributes to ISWAs technical profile, transfer of knowledge & Best Practices	2019/2020/2021, depending on the topics			Funded by the UN organizations who ask for help	
PUBLICATIONS (e.g. Reports, ISWA Papers, Guidelines, WM&R articles, WMW articles etc.)	Articles in WMW: -Impacts, benefits of the requirements of the new BAT Conclusions of the WT BREF (2019, in collaboration with EIPPCB) - Characterization/Classification of hazardous waste	a	Contributes to ISWAs technical profile, transfer of knowledge & Best Practices		Coordination and support by ISWA GS. Support/promotion by Board and the STC			

	TARGET ACTIVITIES (describe each activity briefly)	IMPORTANCE (rate the importance of the activity for the WG a: high importance, b: medium, c: business as usual)	RELATION TO ISWA PRIORITIES AND STC OBJECTIVES (describe the contribution of each activity to general ISWA and STC priorities)	TIMETABLE (key-dates and milestones of the described activities)	ISWA BOARD AND/OR GS CONTRIBUTION (describe what may be needed from ISWA Board or GS for the certain activity e.g. resources, promotion, participation etc.)	COOPERATION (e.g. with other WGs, RDNS, National Members, non ISWA Organisations)	BUDGET IMPLICATIONS (give an indication of any budgetary implications and identify if this is an activity funded under ISWA Project Grant)	OTHER COMMENTS (describe any other issue that is considered important)
	<p>(2019, after the workshop)</p> <p>-Impacts, benefits of the requirements of the new BAT Conclusions of the WI BREF (2020, in collaboration with EIPPCB)</p> <p>-Observatory on hazardous waste production and treatment in the world (2021)</p>							
OTHER	<p>Question:</p> <p>It might be interesting to work on Post Catastrophe waste management and prevention of these waste as it is more and more common with climate change. Concern all groups I think.</p>							

International Solid Waste Association
