

CURRICULUM VITAE

General Information:

name: Arne Michael Ragoßnig
current address: Schüttaustraße 52/6
1220 Wien; Austria
cellular-phone: +43/664/2500323
e-mail-address: arne.ragossnig@fh-burgenland.at
date of birth: 29-08-1972
place of birth: Klagenfurt
wife: Dipl.-Ing. Michaela Ragoßnig-Angst MSc. (OU)
children: Stefan (2002), Christoph (2005)
father: Mag. Horst Ragoßnig, farmer
mother: Mag. Elisabeth Ragoßnig, teacher
siblings: Herwig (37); Gudrun (30)

Professional Experience:

- Since 03/2004: University of Applied Science – Fachhochschulstudiengänge Burgenland Ges.m.b.H., Austria
- Head of the Study Programme „Energy- and Environmental Management“ and “Sustainable Energy Systems”
 - Head of Research & Development
- Since 2004: Member of the Board of the Conference of Universities of Applied Sciences in Austria
- Member of the Working Group for R&D of the Conference of Universities of Applied Sciences
- Since 01/2007: Managing director of Forschungs- & Technologietransfer Pinkafeld GmbH
- Since 2006: Associate Editor of WM&R the official scientific journal of ISWA
- Since 2004: Member of the International Organization Committee of the DepoTech
- Since 03/2000: University lecturer at the University of Leoben (MBA-Programme “Generic Management”)
- Since 1999: ÖWAV (Österreichischer Wasser und Abfallwirtschaftsverband)
Member of the Thermal Treatment Working Group
- 2003 – 2005: Member of the Editorial Board of Waste Management & Research (WM&R)
- 2002-2004: VA Tech AG / VA Tech WABAG GmbH
- Participation in the International Young Professional Programme (Feb. 2002 – Jan. 2003)
 - Vice President for Sales Coordination / Sales Controlling within VA TECH WABAG GmbH
- 2000 – 2002: University assistant at the Department for Waste Mgmt. and Landfill Technologies of the University of Leoben:
- Deputy Head of Department
 - Head of the Working Groups „Co-Incineration“ and „Mechanical-Biological Treatment of Residual Waste“
 - Deputy Chairman of the Association for the Promotion of the Interests of the Department for Waste Management and Landfill Technologies as well as the Austrian Companies
 - Managing Director of the ARGE Depotech
 - Active Participation in the:
 - Austrian Standards Institute Working Group „Refuse Derived Fuel“
 - ÖWAV (Österreichischer Wasser und Abfallwirtschaftsverband) Thermal Treatment Working Group

1999: university lecturer at the University of Leoben
1998 - 1999: research associate at the Department for Waste Mgmt. and Landfill Technologies of the University of Leoben

various internships and contracts during university education:

- Andritz AG:
 - Experiments for the determination of the drying-attitude of various sludges 1997
 - Ways of odor-elimination in the off-gas of sludgedrying and sludgeburning 1997/98
- Kärntner Landesregierung: water protection 1997
- Wietersdorfer & Peggauer (cement industry): thermal utilization of plastics 1995
- contracts with Funder Industrie GesmbH:
 - ecological balancing 1993, 1994, 1995
 - environmental management system (Emas, ISO 14000) 1995/96
- Edelhoff (now Lobbe): Waste Management 1993

1992: employment as carpenter

1991 – 1992: military-service

Author and co-author of various publications in the field of

- waste management in general
- mechanical-biological treatment of residual waste
- thermal utilization of waste
- bioenergy / energy efficiency / climate control

Education:

University: October 1992 – April 1998 (grad.: Dipl.-Ing.) University of Leoben graduation with honors, Rektor-Platzer-Ring

field of studies: environmental engineering, chosen branch: waste management and landfill technology

studies abroad: USA, Colorado School of Mines in Golden, Colorado, fall semester 1996/97

post-graduate: Master of Science in Engineering Management (Oakland University) January 1998 – November 1998

PhD-studies: University of Leoben October 1998 – June 2001, graduation with honors

Foreign Language Skills:

- English: excellent
- Spanish: basic knowledge
- French: basic knowledge

Note:

- Founding member of the Association for the Promotion of the Interests of Environmental Engineers in January 1998
- member of the Lions Club Wien ImPuls
- Grant of the „Posseltscher Reisefonds“ 2001
- Awarding of the ISWA Austria Grant 2001 for waste-management oriented research
- Awarding of the Pannonia Research Award 2008

Hobbies:

running, hiking, travelling, photography, ...
