Input to conferences/seminars

- **WTE Beacon conference in Malmö 18-19 November 2015:**
  - Bi-annual conference together with the Swedish Waste Association

- **Nawtec in Palm Beach 23-25 May 2016:**
  
  **Track 1: The Business of Energy Recovery**
  - Powering Growth in the Sector
    - Highlighting Policies that Support Waste-to-Energy
    - The Economic Dynamics of Waste Conversion Technologies
    - Case Studies of New WTE Projects (U.S. and International)
    - Generating Public Acceptance
    - What Are Local Governments Looking for in Today's WTE Market?
    - Managing Organics in the Waste Stream
    - Promoting a Circular Economy by Maximizing Material and Energy Recovery
  - Improving the Business Opportunities of WTE Facilities
    - Innovations in Marketing Electric Generation
    - Marketing Syngas, Liquid Fuel and Chemicals from Waste
    - Increasing Tip Fees through Special Waste Markets
    - Innovations to Improve Metal Recovery and Beneficial Ash Reuse
    - Increasing Recycling through Improved Waste Processing Technologies
Input to conferences/seminars

- Nawtec in Palm Beach 23-25 May 2016:
  
  **Track 2: Best Practices in Plant Operations, Research and Development**
  
  - Improving WTE Plant Operations
    - Facility Retrofit and Upgrade Case Studies
    - Integration of Automation at WTE Facilities
    - Case Studies for Outage Optimization
    - Promoting Best Practices in Europe
    - Maximizing Energy Efficiency and Reducing Parasitic Load
    - Managing Mature WTE Facilities for Maximum Lifespan
    - WTE Boiler Fouling and Options for Cleaning
    - Promoting and Enhancing Safety and Industrial Hygiene
    - Best Practices in Human Resources to Attract a Diverse and Talented Workforce
  
  - Advancing Waste-to-Energy through Research and Technology
    - Combustion Engineering Research and Technologies
    - Thermal Treatment and Waste Combustion Technologies
    - Advanced Air Emissions Control Technologies
    - Research in Treating and Beneficially Reusing WTE Residuals
● China October 2017 (combined with Study Tour?)

● Potential Seminars/Training Courses:
  – Singapore?
  – Brazil?
  – Malaysia?
  – Oman?

● Potential Study Tours:
  – Scandinavia (Götaverken?)
  – Switzerland/Italy (TBF?)
