

Dear Partner,

The ENVIRONTEC powered by ÖKOINDUSTRIA international trade exhibition will be held for the second time between 7-9 October 2026. The event serves as a meeting point for key players in the environmental industry, water and waste management, as well as sustainability. It is co-organized by the Hungarian Association of Environmental Enterprises.

**RESERVE YOUR EXHIBITION PLACE IN TIME,
AND SHOWCASE YOUR INNOVATIONS
WHERE THE FUTURE IS BORN!**

**DISCOUNTED SPACE RENTAL FEE IS OFFERED
BY 31 MAY 2026.**

APPLICATION FORM

PROFESSIONAL PROGRAMMES

As an accompanying program to the exhibition, a rich range of professional events awaits interested visitors. The conferences held next to the exhibition explore current issues in the environmental industry and sustainability, seeking and presenting responses to these challenges.

7 October 2026

**Europe under pressure – The
Industrial Emissions
Challenge**

Organiser: HAEE

8 October 2026

Landfilling – last resort?

Organiser: HAEE

9 October 2026

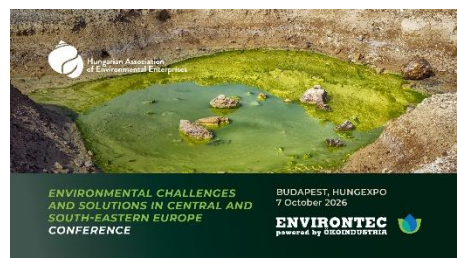

**RE:BROWN Remediation and
Brownfield Investments**

Organiser: HAEE

**Environmental Challenges and
Solutions in Central and
South-Eastern Europe**

Organiser: HAEE

**A water smart future?
Water-conscious responses
and solutions in the era of
climate change**

Organiser: HWWTA

More information about the continuously expanding program lineup is [HERE](#).

ENVIRONTEC powered by ÖKOINDUSTRIA AWARD

In 2026, the ENVIRONTEC powered by ÖKOINDUSTRIA Grand Prize competition will once again be announced **as part of the exhibition**. Within this framework, the most outstanding products, technologies, and services presented at the event will be awarded.

Companies participating in the exhibition are eligible to apply. Submissions will be evaluated by a committee of renowned experts. The awarded products and services will receive prominent publicity at the exhibition and in its communications.
